

Version 2: Effective as of 06.10.2021

Stadium is a Virtual Game that allows you to bet on the outcome of the virtual football games.

- Bet9ja Stadium is a virtual soccer game featuring real team names and real league names, but with entirely simulated results and outcomes.
- The Bet9ja Stadium scores page, that contains live scores, results and league tables, are all related strictly to the Bet9ja Stadium virtual game ONLY.
- The outcome of the match displayed on the results section is the result that Bet9ja will use to determine winning and losing bets.
- Bet9ja operates maximum limits per bet containing at least 1 (one) Bet9ja Stadium sport event (single bet, multiple bet or combined bet) or per any combination within a bet on Bet9ja Stadium sport. The maximum winning per bet on Bet9ja Stadium sport is NGN500,000. If a customer has open bets, the maximum amount they can win on Bet9ja Stadium is NGN 5,000,000. In this case, a customer would also need to wait for settlement of their open bets before placing further bets on Bet9ja Stadium. The Customer will not have the right to receive the winnings exceeding the maximum limit per bet whether or not the Customer was notified at the time of placing the bet or otherwise that potential winnings per bet would exceed the per bet maximum winnings amount. In the event the potential winnings included in the bet slip exceed the amount of the maximum winning per bet (due to technical or human error), the Customer will have the right to receive the winnings as indicated in the bet slip only and in any event, up to the maximum winning per bet. Bet9ja reserves the right vary the maximum winning per bet at any time by publishing the new limit on its website.
- The outcome of each new event is fixed and does not change once it has been set.
- If the Bet9ja site undergoes any technical problems during a stadium fixture, undergoes maintenance, or becomes unable to access for any reason, games will still be played and the result will be unaffected.
- Bet9ja Stadium is unrelated to any real-life matches or leagues, and any Bet9ja Stadium virtual fixtures that correspond with a real-life equivalent is strictly a coincidence
